OBJECTIVE

Utilizing my skills and experience to do the optimal job for this position.

EXPERIENCE

Pool manager • Eagle pools • Summer 2017 and Summer 2018

- Job taught me people skills to deal with customers. On the job problem solving was key to success. Manual labor which taught me hard work and dedication.

Golf cart operations • Arbor Springs • Summer 2016

- Led a team of people, in which we cleaned, maintained, and organized golf carts. This job taught me the skills I need to lead, and run a group of people to obtain a satisfactory product.

EDUCATION

Northgate High School – 2016

- I maintained a rigorous class schedule along with playing on the golf team. Learned to juggle a lot of things at once and succeed.
- Fall 2017 Deans List at Georgia Southern University

VOLUNTEER EXPERIENCE

Have logged around 50 hours of community service in my short time in college. Taught me a lot about hard work, and doing what is right for your community and helping those around you.
